TOUR OF SOUTH WALES

Good morning. My name is Nick and I am your tour guide. I hope you slept well and are ready to start exploring South Wales on the first day of your holiday here. In about ten minutes the bus is taking us on a tour of the valleys of South Wales. You may know that the area is famous for its industry but you may not realise what a lot of natural beauty there is too. Last year I visited a wonderful waterfall near here with a group of tourists. Unfortunately, we didn't have time to explore it properly. Today we are going back there to have a better look. Because it rains a lot here it's a magnificent sight.

Then we're travelling a bit further up the valley to visit a museum which has been built where there used to be a huge mine. They don't mine there any more but the museum is fascinating. There is a video you can watch and in the souvenir shop, as well as buying all the usual souvenirs, you can buy lamps which are exactly like the ones the miners carried to light their way.

We'll probably eat our lunch up there near the museum or in the bus if the weather's bad.

Then we're making our way back south to the coast to admire beautiful cliffs. There will be time for a walk or if any of you are feeling energetic you can try a bit of windsurfing. Sailing, canoeing and fishing are also popular sports in the area but we won't be able to do those today. We'll arrive back at the hotel by five o'clock. You'll need a coat or something to keep you dry, some strong boots and don't forget your cameras.

MY DREAMS FOR FUTURE

My name is Linda, but my friends call me Lin. I am 19 and I live in England. At the moment I..... (study) art at college in Chester. Although I am only in my first year, I often.....(think) about my future. I have quite big plans.

The most immediate plans are holiday plans. I.....(visit) my brother, who's working in Australia. I.....(not see) him for a year and a half.

When I.....(return), I have to make a final decision about which course I am going to study next year. I'm still not sure – I might do fashion design. I like designing clothes. As a small child, I.....(make) a lot of dresses for my dolls. I also enjoy painting on textile. My mum often reminds me that before I went to school, I.....(paint) all the walls in our house with pictures of princesses and princes. I used to be a very lively child!

And what are my plans in ten-years' time? I hope to marry and have a family. I.....(have) a good husband and two or three children. And a dog, of course! We might still live in Chester. However, if my husband were really rich, we.....(move) to Scotland. I love old Scottish castles, especially those which.....(build) in the seventeenth century.

And what about you? Have you thought about your future plans yet?
